“Scattering Joy”

On behalf of Carolina Caring Foundation, thank you for joining us this evening to experience our illuminated campus as we honor those who are most special to us.

As you walk around our campus tonight, notice each luminary as it brightly shines, reflecting the cherished memories that we hold in our hearts with those we love. These luminaries reflect the joy that our loved ones bring to us. We hope each light that is scattered throughout our campus also scatters joy into each of your hearts this season.

Thank you for sharing this evening with us in support of our 5th Annual “Light Up a Life” celebration. We wish you a holiday season that is filled with joy and peace as we enter into 2025.

A special thank you to the Riddle family for their gracious gift to make this event possible and teaching us to scatter joy.

FOODS

For their Gift-In-Kind Donations

As we celebrate our 45th anniversary at Carolina Caring, I reflect with gratitude on the exceptional services we've been able to provide to our patients, our families, and our community.

From our humble beginnings in 1979, we've grown to impact thousands of lives each year across 12 counties in western North Carolina. This milestone would not have been possible with the unwavering support from volunteers, donors and community partners like you. Thank you for your support of our mission to continue to serve more patients than ever. We remain committed to delivering the compassionate and expert care that has been our legacy since day one. Here's to celebrating 45 years of care, and to many more years of making a difference together!

Dana Killian, President & CEO, Carolina Caring
